

## Volunteers

### Description

## Volunteers

“Community is about doing something together that makes belonging matter.” **Brian Solis**

## Volunteer Information

Whether you want to give your time for a few hours, a few months or in a longer term capacity, there are so many benefits of volunteering with our community league, including:

- Influencing programs and initiatives in your community

- Meeting and networking with other leaders
- Expanding your skills for future job opportunities
- Enhancing your health (volunteering has been shown to boost overall health and life satisfaction)
